

Wall Street Benefits for Main Street Businesses

For:

Provided by:

BeneBloc - who we are:

- BeneBloc provides total benefit solutions to employers through our benefit consulting, benefit administration, and online benefit enrollment services.
- Our technology is sustainable – exclusive servicing agent for the technology, which is completely disassociated from any insurance-carrier products
- Locally owned, locally controlled in Kansas City

Our services:

- Account management
- Product marketing, analysis & consultation
- Employee engagement, enrollment & new-hire orientation
- One-check billing and reconciliation
- Eligibility maintenance / EDI
- Flexible spending account administration
- COBRA administration
- ACA reporting

Our commitment:

- Dedicated account management & billing service
- RFP services for all products
- No monthly fees for our services
- Rate guarantee
- No long-term contracts
- Replacement products
 - More valuable to the employee
 - No new pre-x or waiting periods

Objectives for AIM Members:

- Create a **best-of-class set of ancillary and voluntary products set** which is more akin to one reserved for large employers
- Create **distinction** in the product offerings through enhanced plan designs, rates, and underwriting
- Make the product set **exclusive** to AIM and its members

BeneBloc obligations:

- Exclusively market, place and renew all ancillary and voluntary benefits
- Operate benefit administration technology
- Handle all EDIs with carriers for groups
- Provide enrollment services
- Maintain confidentiality and data security obligations
- Provide upmost customer care and claims service
